

Final remarks

International Conference on History of the ν Neutrino

September 5-7, 2018
Paris, France

1930 - 2018

Invention
Discovery
Second Family
Three Families
Pontecorvo & Oscillations
Solar Neutrinos
Reactor Neutrinos
Atmospheric Neutrinos
Astrophysical Neutrinos
Accelerator Neutrinos
Neutral Currents
Neutrino Masses
Dirac or Majorana

International Scientific Committee

G. Bellini - Milano
S. Bilenyk - Dubna
A. Blondel - Geneva
L. Camilleri - Columbia
G. Drexlin - Karlsruhe
G. Fiorentini - Ferrara
E. Fiorini - Milano
A. Franklin - Colorado
M. Goodman - Argonne
F. Halzen - Wisconsin
W. Haxton - Berkeley
J.J. Hernandez - Valencia
C. Jarlskog - Lund
S. Jullian - Orsay
T. Kajita - Tokyo
S. Katsanevas - Paris
H. de Kerret* - Paris
T. Kirsten - Heidelberg
E. Klein - Saclay
Th. Lasserre - Saclay
J. Learned - Hawai
M. Lindner - Heidelberg
E. Lisi - Bari
A. McDonald - Kingston
M. Paty - Paris
P. Ramond - Florida
A. Smirnov - Heidelberg
C. Spiering - Berlin
M. Spiro - Paris
J. Steinberger - CERN
C. Sutton - CERN
P. Vogel - Caltech
I. Zheleznykh - Moscow

Local Organizing Committee

D. Boursette, M.C. Bustamante, M. Cribier (co-chair), J. Dumarchez, S. Lavignac, L. Simard, F. Vannucci, D. Verkindt, D. Vignaud (co-chair), M. Vivier, S. Vydellingum, M. Zito

A future for this Conference

- ❖ A trace to the future : a dedicated web site
 - the address : neutrino-history.in2p3.fr
 - \approx 600 references of main historical papers
 - on line today although some pages still under developments
 - but conceived as a lively web sites, comments are welcome :
 - testimony, personal opinions...
 - inevitable moderator to avoid unwanted remarks
- ❖ Will be complemented in the next weeks
 - your slides, your written contributions (proceedings)
 - your video interviews
 - illustrated by pictures and videos from the Conference
- ❖ Written proceedings will be edited
 - editors : J. Dumarchez, D. Vignaud, M. Vivier
 - talks \lesssim 16 pages ; posters \lesssim 5 pages
 - contributions due before end of November
 - instructions at : <http://neutrinohistory2018.in2p3.fr/proceedings.html>

Many thanks

- ❖ To all speakers who agree to participate to this conference as soon as solicited
 - for their efforts on historical research
 - for keeping the timing and allowing exchanges
- ❖ To members of the International Scientific Committee
 - valuable suggestions and reactive response
- ❖ To all participants and chairpersons
 - allowing lively discussions
- ❖ To our sponsors

Many thanks

- ❖ To all speakers who agree to participate to this conference as soon as solicited
 - for their efforts on historical research
 - for keeping the timing and allowing exchanges
- ❖ To members of the International Scientific Committee
 - valuable suggestions and reactive response
- ❖ To all participants and chairpersons
 - allowing lively discussions
- ❖ To our sponsors

- ❖ To the organizers
 - Sarodia and Vera
 - university personnels (P. Bouiges, F. Loire, L. Lepleux)
 - young physicists (Victoria, Anthony, Lorenzo, Marco, Paul)

Farewell

- ❖ May be, Enjoy Paris this week-end
- ❖ Return safely to your lab, to your home

Farewell

- ❖ May be, Enjoy Paris this week-end
- ❖ Return safely to your lab, to your home

- ❖ ...and let's continue to write together the
